ACTIVITY:	APE20080001

**SOURCE DESCRIPTION:**

MPD Inc., an existing conditional major source (for HAP) submitted a permit renewal application to its existing F-03-014 permit. MPD Inc. has three subsidiary companies onsite: CMI makes breath-alcohol instrumentation for police departments, MPH makes radar guns for police departments, and MPD Components makes electronics for the Dept. of Defense. All of the companies are electronic in nature and all of MPD Inc.'s customers are either governments or military contractors.

**PUBLIC AND U.S. EPA REVIEW:**

On August 11, 2008 the public notice on availability of the draft permit and supporting material for comments by persons affected by the plant was published in Owensboro Messenger Inquirer in Owensboro, Kentucky. In addition, notification of the issuance of the draft permit was sent to the U.S. EPA on August 19, 2008 via e-mail. The public comment period expired 30 days from the date of publication. No comments were received during this period. The permit is now being issued final.
